

5 Voices Assessment

The 5 Voices Assessment will allow you to better understand yourself and your own strengths, weaknesses, preferences, and values. Know yourself so you can lead yourself.

About

The 5 Voices Assessment will give you insights into your Leadership Voice. Communicate more effectively with others and build stronger relationships.

The typical outcomes you will experience:

- Receive Leadership Voice and report
- Become more self-aware as a Leader
- Identify what your Voice champions
- Determine if you are present-oriented or future-oriented
